- Today I talked about several issues providers might not expect to have to deal with - child custody, liability issues, and the need for insurance in daycare.
- Check out [this post](#) by Tom Copland wrote regarding child custody.
- I also spoke about how to cover the expense of daycare insurance. [Here's the link to DCI Insurance](#) the company I use.
- I covered a few provider resources. [Here's a link](#) to the provider's union.
- Send me your daycare business questions [here](#).
